I am looking at "Exhibit A", filed in this cause. This is a correct copy of the deed from James L. Green and wife, dated April 1,1912, and duly recorded in Liber H.W.B. 300, folio 231, one of the Land Records of Frederick County, giving to me a life estate in same and I hold the Original Deed.

I am looking at "Exhibit B", filed in this cause. This is a correct copy of the deed from Jesse F.R. Heagey, in which I joined, conveying the remainder estate, after my life estate, to my son, Paymond S. Hildebrand, and I holf the original deed, which was duly recorded in Liber 318, folio 328, one of the Land Records of Frederick County.

The property consists of Lots Nos.27,28,29,39 and 31 on the general plan of the town of Lewistown, as shown by plan recorded in Liber J.S.1,folio 524, one of the Land Records of Frederick County, Maryland. It is improved with a two-story frame dwelling house and some outbuildings. The house needs painting, new shutters, the porch floor is getting bad. The roof is in fair shape, but it needs patching every now and then. I am informed that it would require two or three hundred dollars to put the place back in repair. The fencing is very bad and it needs ne fencing. The property is now rented to Mrs. Milton Main, a widow with two daughters, and the lease term will expire April 1, 1923. I am getting \$6 per month for the property. The gaxes for this year are \$19.25 The insurance costs too have run out and I don't have it insured now. I don't have the money. I feel that the value of the place is going down all of the time. I believe that it could be sold for a fair price now. I think it ought to bring at least \$2000.
